MEMORANDUM TO PSB D-23 COORDINATION WORKING GROUP

NSC Declassification/Release Instructions on File

1. OCB has received a formal designation by the Department of State and informal designations from the other agencies of these members of the working group, set up in accordance with OCB vote-slip approval of terms of reference for coordination of PSB D-23:

State - Mr. Kenneth P. Landon (Chairman) (191-3558)
Defense - Captain Charles H. Smith, USN (131-77683)
Foreign Operations Administration - Mr. Allen Dines (140-3841)
Central Intelligence Agency - [REDACTED]
United States Information Agency - Mr. Frederic O. Bundy (1274-2388)

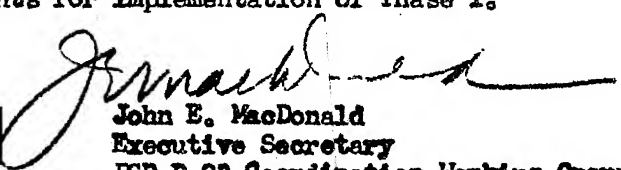

25X1A

The Executive Secretary will be John E. MacDonald, OCB, (1201-3709).

2. Mr. Landon is leaving for Thailand and Malaya on Monday, October 26, 1953. The purpose of his trip is set forth on page 32, para. c., (1) (b) of D-23. It is desirable that members of this working group transmit to Mr. Landon any suggestions they may have for specific agency needs in connection with their operational responsibilities, even though the group has not been formally constituted. A meeting is not planned, in view of the shortness of time, but will be held if members so request.

3. As soon as formal designations are received, which will permit agency representatives to present their respective views, a meeting will be held for organizational purposes. The group should also consider any inter-agency questions on item 3 of the terms of reference, the deadline of November 15 for completion of agency arrangements for implementation of Phase I.
